### **The indoor at Gruyere is a private property and residence.**

In order to make sure our club can continue to have access to this indoor we ask you to please

Ensure the following:

1. Please enter the gateway passed the indoor arena for parking. For safety of riders and horses the first driveway is not be used.
2. We ask that visitor's cars (without floats) leave ample clear space for floats and horses to move around.
3. Collect all horse poo from the arena as soon as possible before it spreads. Barrows and scoops are provided around the arena and in the car park.
4. We have access to great yards but ask that you ensure that all manure and left over hay is removed from the yards AND car park when you leave.
5. The barrows need to be emptied onto the manure heap at the back of the arena.
6. There is a lovely new kitchen, with a wood heater and lounge. Our club provide tea and coffee making facilities for you and ask that you clean up any mess after you and also do your dishes and put them away. Please be careful with the log fire and ensure no articles are placed close to or on the fire box.
7. Toilets are at the end of the stable block.
8. Water is available for the horses near the tanks in the car park and also in the laneways by the yards.
9. Please leave dogs at home

If you have any questions or concerns about the facilities please advise one of our members as soon as possible.

Please everybody enjoy your lesson....
